

LOCAL MATTERS.

TUESDAY EVENING, NOVEMBER 17.

For this section wind shifting to decidedly easterly and high in the evening, with a cold wave; rain falling into snow, colder, with local snows, followed by clearing weather Wednesday, freezing temperature, or below, will occur southeast to Norfolk.

CONCERT AT ARLINGTON—On Friday night last a very enjoyable concert was given in the Columbia school house, at Arlington, for the benefit of the Episcopal Church in that neighborhood. The night was all that could be desired, there not being a cloud to be seen. At an early hour the Seminary Quartette Club met at Mrs. Hall's residence, where was to be seen a supper table groaning under its weight of good things, things generally acceptable and appreciated by the average "Theologian." After spending an hour of fun and pleasure at this most hospitable residence, the company repaired to the school house, where was gathered together a large assembly of men, women and children, all expecting their money's worth. The program opened with "Speed Away," by the Seminary Quartette, which was well received and applauded. Miss Lillian Munson, as usual, perfect with her recitations and delighted the audience as much on this occasion as on previous ones. Mrs. Young's songs were also appreciated and well received by all. Mr. A. C. Thompson's "letters" afforded unlimited fun for all, both young and old, and judging from the manner in which he was applauded the audience would have willingly listened to a few more "letters." "Home by the River" and "Not Very Fanny" were admirably rendered by a musical quartette, in which Mrs. E. H. Clark's sweet, clear voice could not fail to attract the attention of all. Mr. F. E. Cooley's solo, "Anchorage," was ably rendered and thoroughly appreciated by all. Miss Anna Munson's solo, "Love's Counsel," and "The Rose Bush," could not have been rendered better and they met with hearty applause from all sides. "Good Night, Ladies" brought to a close this successful and enjoyable affair.

Arlington is one of the mission stations which is cared for by the students of the Theological Seminary of Fairfax county. After a great deal of hard work the church has gained a strong footing and is each year making its influence felt more and more. In the fall of 1898 the Sunday school organized and has since been in a flourishing condition, and under the very able administration of Mr. Harry F. Klemm, who takes a most devoted interest in it, it has made very rapid progress during the past year. The mission is at present in the care of Messrs. John S. Lightbourne, A. K. Fenwick, J. F. Pummer and Harry F. Klemm.

FAIRFAX DEMOCRATS—The democrats of Fairfax county held a well attended meeting at the Court House yesterday to elect delegates to the Congressional convention which meets in this city on the 24th. Mr. J. O. Berry presided and Mr. S. E. Durand acted as secretary. The following delegates were elected:

Providence District: R. W. Moore, F. W. Richardson, J. D. Ekin, B. F. McVeigh and H. D. Smith.
Dumfries District: J. H. Barnes, E. L. Garrett, A. Fred May and F. D. Farr.
Centerville: George P. Richards, J. P. McChen and Bertie Lane.
Lee: D. S. Veach and Wm. M. Chiles.
Falls Church: Theo. Barrett, Geo. Head and Geo. Auld.

Mr. Vernon: George A. Fawcett, W. G. Moore and A. J. Ballenger.
Delegate-at-large: J. M. Lovv.
The convention passed a series of resolutions on the death of Gen. Lee.
A resolution instructing the delegates to vote for Mr. E. M. Meredith for Congress was offered and withdrawn, but it is understood that the entire delegation is for Mr. Meredith.

MINSTRELS—Gorton's New Orleans Minstrels last night appeared at the Opera House before a large and well-pleased audience. The company, though not as large in numbers as most minstrel troupes, can well claim a place in the front rank of minstrelsy. The usual hoarse-headed jokes were mainly noticeable by their absence, while the singing and music were well up to the standard. Welby and Peak, high kickers and jumpers, the E. Hott brothers, song and dance men, Harry Ward, in new and original monologues, and DeWitt Cooke, in Indian club exercises, all proved themselves to be above the average. The performance concluded with a topsy-turvy festival, in which some very fine clowns were executed.

Elmer Tomes, colored, for disorderly conduct, was fined \$1.50.

NOT A TRAMP—It is said that the man who cut Mr. Henry Bader at the local depot last Thursday night and who gave his name as John Carlrow, is named Johnson, a son of a prominent insurance man of Richmond. It is said also that the man is not a tramp but that he recently left Richmond while on a spree. The man in talking to one of the jail officials yesterday said "If Mr. Bader is a sample of Alexandria's quiet and mild mannered citizens I would not like to tack a one of the roughs."

AFLOAT—The steamer Norfolk which ran around near the White House during the fox on Saturday morning last, while on her way up the river, was dated this morning at 10:30 o'clock under her own steam. The snows and ice which were sent to her assistance yesterday took off a part of her coal and ballast, and during the unusually high tide this morning the Norfolk was gotten off.

GEN. LEE'S WILL—Gen. W. H. F. Lee's will was probated at Fairfax C. H. yesterday. The document, which is in the testator's own handwriting, was executed last August, and bequeaths the entire estate, valued at \$115,000, to Mrs. Lee during her lifetime, to be divided at her death between the two sons, R. E. Lee and George Bolling Lee, who were also appointed as executors.

ing Day falling on the 26th the republican district congressional convention which was called to meet at Manassas on that day has been postponed until Saturday the 28th.

Tailor's Lodge, I. O. G. T., held a pleasant and interesting session last night, and several card parties were given. A delegation from Columbia Lodge, of Washington, D. C., were present.

The temperature this morning was mild and fell at intervals. The wind afterwards got around to the northwest and for a time blew a gale causing small vessels in the river to seek shelter. There was a spit of snow about noon and a slight fall of hail. The temperature this evening became quite cold.

False Economy

Is practiced by many people, who buy inferior articles of food because cheaper than standard goods. Surely infants are entitled to the best food obtainable. It is a fact that the Gall Borden "Eagle" Brand Condensed Milk is the best infant food. Your grocer and druggist keep it.

Hens that Lay.

Leghorns lay more eggs than any other variety of fowls; so says Felch, the patriarch of poultry in America. He also claims that the white Leghorn will lay larger eggs than any other variety of Leghorns. He commends as an excellent cross for practical purposes—meat and eggs—a white Leghorn cockerel on light Brahma hens. A correspondent in Southern Poultry says: "The best hen egg I have ever seen or tasted is that of the light Brahma hen, laid in her second year."

To insure plenty eggs all winter, put a little Stonebreaker's Chicken Powder in their feed.

LADIES

Needing a tonic, or children who want building up, should take

BROWN'S IRON BITTERS. It is pleasant to take, cures Malaria, Indigestion, Biliousness and Liver Complaints.

I HAVE been a great sufferer from dry catarrh for many years, and I tried many remedies, but none did me as much benefit as Ely's Cream Balm. It completely cured me. M. J. Lally, 39 Woodward Ave., Boston Highlands, Mass.

After using Ely's Cream Balm two months I was surprised to find that the right nostril, which was closed for over twenty years, was open and free as the other, and can use it now as I could not do for many years. I feel very thankful. R. H. Cressingham, 275 18th street, B. C. N. Y.

For Malaria, Liver Trouble, or Indigestion, use BROWN'S IRON BITTERS

It is said, by some of the health journals, that we should eat more onions, but when one has ice, both small and large, from a bad cold, they don't feel much like eating onions or anything else. Stonebreaker's Cough Syrup will cure the cold.

A. B. C. Alternative Purifies the Blood

Pronounced Helpless, Yet Saved. From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we note: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up saying I could not live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at E. S. Leadbeater & Bro's. druggists, regular size, 50c and \$1.00.
